Key features: Generalization Capability

- Multi-Modality

- Key features:
 - Specialization Scalability & Flexibility
- Robustness & Fault Tolerance Performance Enhancement
 - Task Decomposition
 - Privacy & Confidentiality
 - Reduced Hallucination and Biases

Key features:

- Task Flexibility & Generalization Collaboration & Reasoning
- Continual & Federated Learning
 - Resource-Aware Intelligence
- Contextual Prompting & Adaptation
- Privacy & Compliance
 - Reduced Hallucination & Improved Reliability
